

1 QUALIFICATION STATEMENT OF

2 ELIZABETH A. EVANS

3 Witness for the Bonneville Power Administration

4 *Q. Please state your name, employer, and business address.*

5 A. My name is Elizabeth A. Evans. I am employed by the Bonneville Power Administration
6 (BPA), 905 NE. 11th Avenue, Portland, Oregon.

7 *Q. In what capacity are you employed?*

8 A. I am a Public Utilities Specialist in the Western Power Business Area of the Power
9 Business Line.

10 *Q. Please state your educational background.*

11 A. I graduated from Duke University in 1971 with a B.S. degree in Botany. I earned a Ph.D.
12 in Evolutionary Biology from the University of Texas at Austin in 1980, an M.S. degree
13 in Planning and Economics from the University of Oregon in 1985.

14 *Q. Please summarize your professional experience.*

15 A. I have worked for BPA on a full-time basis since August 1986. For the first 2 years I had
16 a series of assignments dealing with resource planning, environmental work, and
17 customer service in the Seattle area office.

18 From August 1988 until July 1992, I was permanently assigned to the Planning
19 Branch of the Resource Planning Division in the Office of Energy Resources. I did
20 various analytical tasks, often associated with planning-related policy issues as well as
21 analytical work related to the Resource Program.

22 From July through November 1992, I was Acting Section Chief of the End-Use
23 Forecasting Section of the Power Forecasting Branch. Staff in this group prepared
24 long-term forecasts for the major electricity-consuming sectors: residential, commercial,
25 industrial, and agriculture.

1 From November 1992 until August 1995, I was the Manager of the Program
2 Evaluation section. This group was responsible for evaluating the success and costs of
3 BPA's conservation programs. Staff in this group also focused on survey research and
4 helped assess the accomplishments of the agency relative to its stated goals.

5 From September 1995 until March 1996, I was a technical lead in the Marketing
6 Support group responsible for managing analytical projects. I work with other analysts to
7 produce various sales and revenue forecasts as well as to provide market information and
8 analytical studies to assist segment managers and others in marketing efforts for BPA.

9 In April 1996, I worked as an analyst on the Generating Public Utility Segment
10 team. Over the past 2 years, I have worked as an analyst in the Western Power Business
11 Area focusing on policy analysis and tracking of hub-wide sales and revenues.

12 *Q. Please state your experience as a witness in previous proceedings.*

13 *A. I was a witness in BPA's 1996 rate proceedings.*
